From: Eric McPeak, Local Manager (Alliance Water Resources)

RE: **CITY CAPITAL PURCHASE**
Water Treatment Plant
108 Reverse Osmosis Membrane Elements

The Water Treatment Plant currently has 216 reverse osmosis membrane elements that are contained in 36 pressure vessels. Operators perform cross section efficiency testing on pressure vessels at scheduled intervals. The results are showing reduced efficiency in several pressure vessels, indicating that these elements are at the end of their useful life and need to be replaced. Replacing these elements will extend efficient operational life of the overall system and add additional capacity to meet daily water demand.

Quotations as follows:

Water surplus.com/Surplus Management, Inc.	\$54,242.75
Global Filter	\$56,700.00
Consolidated Water Solutions	\$45,900.00

At this time, I am requesting approval to purchase 108 R.O. membrane elements from the low bidder, Consolidated Water Solutions. This is a capital purchase item to be paid for with City funds from budget line item 500-5-4425-234.

If you have any questions, please contact me.

STANDARD TERMS AND CONDITIONS

Products and Services furnished by Surplus Management, Inc. (SMI) are sold only on the Terms and Conditions stated herein. Notwithstanding any terms and conditions on Customer's order, SMI's performance of any contract is expressly made conditional on Customer's agreement to SMI's Terms and Conditions of Sale unless otherwise specifically agreed to in writing by SMI. In the absence of such agreement, commencement of performance and/or shipment shall be only for Customer's convenience and shall not be deemed or construed to be acceptance of Customer's Terms and Conditions or any part thereof. If a contract is not previously formed by mutual written agreement, acceptance of any Product or Service shall be deemed acceptance of the Terms and Conditions stated herein. All contracts for the Sale of Products shall be construed under and governed by the law of the location of SMI at Rockford, Illinois, USA.

Quotations and Prices

All quotations are subject to the Terms and Conditions stated herein as well as any additional Terms and Conditions that may appear on the face hereof. In the case of a conflict between the Terms and Conditions stated herein and those appearing on the face hereof, the latter shall control. SMI quotations and prices are subject to the following:

- All pricing is subject to change without notice.
- Unless otherwise stated in writing, all quotations expire thirty (30) days after date thereof and are subject to withdrawal, change or prior sale without notice. Further budgetary quotations and estimates are for preliminary information only and shall neither constitute offers, nor impose any obligation or liability upon SMI.
- Unless otherwise stated in writing, all prices quoted shall be exclusive of crating or packaging for shipment, transportation, insurance, taxes, license fees, customs fees, duties and other charges related thereto and shall be the responsibility of Customer. All prices quoted are F.O.B. Point of Shipment.
- Stenographic, typographical and clerical errors are subject to correction.

Terms of Payment

Terms of Payment are net cash in United States Dollars prior to shipment, unless otherwise specified in writing. Where credit is granted, all payments shall be due in full thirty (30) days from the date of invoice. Past due balances shall be subject to a service charge of 1-1/2% per month (18% annually), but not more than the amounts allowed by law. Partial shipments will be invoiced as made and payments thereof are subject to the above terms. SMI may cancel or delay delivery of Products in the event Customer fails to make prompt payment therefore, or in the event of an arrearage in Customer's account with SMI.

Assignments and Terminations

Any assignment by Customer of any contract hereupon without the express written consent of SMI is void. No order may be terminated by Customer except by

Joe,

Your net cost for the **CPA-2** is \$525.00 each and they would have a 7 week lead time ARO. A comparable option would be the **GEM-CPA-400** and you net cost is \$485 each. These are in stock and could ship in a couple of days.

The accessories are usually available from the housing manufacturing so you would need to check with them. Sorry I would not be able to quote. $\$525.00 \times 108 = \$56,700 +$

Our office will be closed on Friday April 14th and we will be back in on Monday the 17th.
